1. Transmitted herewith are five copies of the above subject report, Evasion Geography and a copy of the distribution list for this report.

25X1C

2. The requester received two copies of the report and the Ditto master together with 150 copies each of 21 maps. It is our understanding that the requester dispensed with Ditto and is now having 150 copies of the report run offset.

25X1A

3. At the request of the Geographic Division stated in its memorandum of transmittal that the Division had no objections to a raise in classification from Secret to Top Secret.

4. It is the desire of the requester that all distribution of and references to this report and its ultimate use be kept at an absolute minimum. This in no way is intended to preclude the reporting of the completion of the project in the GRR Status Report.
